

**AT-2TP110-SO**  
**8 Channel SMPS CCTV Power Supply**

## Product Description

Efficient 8-channel power supply designed for low power usage, stable output, and low ripple for smooth operation.

## Function Characteristic:

- ★ Universal Input Voltage
- ★ 110-2440 AC, 50-50-60 Hz
- ★ Stabilized Output
- ★ Low Ripple
- ★ Low Interference
- ★ High Efficiency
- ★ Low Energy Consumption
- ★ Power LED Monitor
- ★ Short Circuit & Overload Protection
