

**AT-2TP105-SO**  
**4 Channel SMPS CCTV Power Supply**

## Product Description

Reliable 4-channel power supply with low energy consumption, delivering stable output and ultra-low ripple for consistent performance.

## Function Characteristic:

- ★ Universal Input Voltage
- ★ 110-2440 AC, 50-50-60 Hz
- ★ Stabilized Output
- ★ Low Ripple
- ★ Low Interference
- ★ High Efficiency
- ★ Low Energy Consumption
- ★ Power LED Monitor
- ★ Short Circuit & Overload Protection
